The objects of this Act are to -

- (a) promote private sector participation in the provision of public services through public private partnership projects;
- (b) enable private sector investment in the provision of public infrastructure assets or services;
- (c) to create frameworks and ensure oversight and governance on projects selected for development through the public private partnership mode;

[The word “to” at the beginning of paragraph (c) is superfluous.]

- (d) enable the creation of adequate institutional capacity for processing and regulating public private partnership projects;

- (e) ensure fairness, transparency, equity and competition in the process of awarding public private partnership projects; and
- (f) provide for principles, framework and guiding procedures to assist public entities during the initiation, preparation, procurement, management and implementation of public private partnership projects.

3. Application of Act

- (1) This Act applies to the initiation, preparation, procurement, management and implementation of public private partnership projects.
- (2) This Act does not apply to the procurement of goods, works or services contemplated in the Procurement Act.

4. Principles of probity and transparency

- (1) Every public entity must adhere to the following principles of probity and transparency during the initiation, preparation, procurement, management and implementation of public private partnership projects -
 - (a) the public entity must carry out its responsibilities relating to the initiation, preparation, procurement, management and implementation of public private partnership projects with complete probity and in a fair and transparent manner;
 - (b) the public entity may not include in the procurement documents any condition or specification which favours or is likely to favour any individual bidder or a group of bidders unduly;
 - (c) the project officer, transaction advisor, procurement committee members and members of the management team, may not have direct or indirect interest in public private partnership projects that the public entity is intending to implement and must disclose such interest to the accounting officer before any decision is taken by the public entity with respect to a public private partnership project;
 - (d) the accounting officer must -
 - (i) evaluate the conflict of interest contemplated in paragraph (c) and take the necessary action to prevent such continued conflict of interest, such as instructing the non-participation by the person concerned in any position where the conflict of interest could influence a decision by the public entity; and
 - (ii) keep or cause to be kept a record of disclosures made in terms of paragraph (c);
- (2) The accounting officer must keep or cause to be kept a record of actions and decisions taken by the public entity in respect of a public private partnership project, including tender proceedings.

Part 2 – Public Private Partnership Committee

5. Establishment of Public Private Partnership Committee

A committee to be known as the Public Private Partnership Committee is established.

6. Powers and functions of Committee

- (1) The functions of the Committee are to -
 - (a) provide for transaction approvals in respect of public private partnership projects;

- (b) develop best practice guidelines in relation to all aspects of public private partnership projects;
 - (c) advise the Minister on policies relating to public private partnership projects;
 - (d) oversee the functioning of the Unit; and
 - (e) exercise powers imposed on and perform functions assigned to the Committee in terms of this Act.
- (2) If a discrepancy arises as to the interpretation of a provision of this Act, the public entity concerned must refer such matter to the Committee for clarification.
- (3) The Committee, in consultation with the Attorney-General, must provide final and binding clarifications to the interpretation queries raised in terms of subsection (2), to the public entity concerned.

7. Reporting to Minister

The Committee must -

- (a) report to the Minister; and

12. Term of office

A member or an alternate member of the Committee appointed in terms of sections 8 and 9, holds office for a period of three years from the date of his or her appointment and is eligible for reappointment at the expiry of that term, but a member may not be appointed for more than two consecutive terms.

13. Vacation of office

- (1) A member or an alternate member of the Committee ceases to hold office, if he or she -
 - (a) resigns his or her office, by giving not less than one month's written notice to the Minister;
 - (b) has been absent from three consecutive meetings of the Committee without leave of the Committee or being an alternate member has been so absent during the absence or vacancy in the office, of the member for whom he or she was appointed;
 - (c) has become subject to any disqualification referred to in section 11; or
 - (d) is removed from office under subsection (2).
- (2) The Minister may remove a member or alternate member of the Committee from office, if -
 - (a) the Minister is satisfied that such member is by reason of his or her physical or mental condition or for any other reason incapable of acting as such member; or
 - (b) such member is guilty of conduct which renders him or her unable or unfit to efficiently discharge the functions of the office as a member.
- (3) The Minister may only remove a member or an alternate member of the Committee, in terms of subsection (2), after giving notice to such member and after affording that member a reasonable opportunity to be heard.
- (4) If the office of a member or an alternate member of the Committee becomes vacant before the expiration of his or her term of office, the Minister must appoint, subject to sections 8, 9 and 11, another person to fill the vacancy for the unexpired portion of that term.

14. Meetings of Committee

- (1) The Minister must convene the first meeting of the Committee at such time and place determined by the Minister and subsequent meetings of the Committee must be held at such times and places as the Committee or the chairperson of the Committee may determine.
- (2) The chairperson of the Committee must, on the request of the Minister or on a written request signed by a majority of members of the Committee, call a special meeting of the Committee.
- (3) The Committee must at its first meeting elect one of the members of the Committee as a deputy chairperson.
- (4) The chairperson of the Committee or in the absence of the chairperson the deputy chairperson presides at meetings of the Committee or if both the chairperson and deputy chairperson are absent from the meeting or are unable to preside at the meeting, the members of the Committee must elect a member of the Committee to preside at the meeting.
- (5) At a meeting of the Committee -
 - (a) a majority of the members of the Committee forms a quorum;
 - (b) all questions are decided by a majority of votes of the members present and voting; and
 - (c) the member presiding has a deliberative vote and in the event of an equality of votes also a casting vote.

- (6) A decision taken by the Committee or an act performed under the authority of the Committee is not invalid by reason only of a vacancy in the membership of the Committee or by reason only of the fact that a person who is not entitled to sit as a member of the Committee was present when the decision was taken or the act was authorised, if the decision was taken or the act was authorised by the requisite majority of the members of the Committee who were present at the time and entitled to vote.
- (7) The Committee may invite any person who has expert knowledge of a matter before the Committee for determination to attend a meeting of the Committee and take part in discussions in relation to that matter, but such person may not vote at meetings of the Committee.
- (8) The Committee must -
 - (a) regulate its own proceedings; and
 - (b) keep or cause to be kept minutes of proceedings and decisions at each meeting of the Committee.

15. Allowances

The Minister must pay members and alternate members of the Committee who are not in the full-time employment of the State allowances for their services, as the Minister may determine in consultation with the Minister responsible for public enterprises.

Part 3 – Public private partnership project initiation

16. Registration of public private partnership project

- (1) As soon as a public entity has identified a project it intends to implement as a public private partnership project, the accounting officer must -
 - (a) register the public private partnership project with the Committee;
 - (b) inform the Committee of the expertise available within the public entity to execute the project.
- (2) Before registering a project in terms of subsection (1) -
 - (a) the accounting officer must designate a project officer within the public entity to be responsible for the public private partnership project from its initiation until the signing of the public private partnership agreement; and
 - (b) the public entity may, where necessary, appoint a transaction advisor that has the appropriate skills and expertise to -
 - (i) prepare a feasibility assessment;
 - (ii) prepare a public private partnership agreement; and
 - (iii) assist and advise the public entity on matters relating to the procurement, management and implementation of the public private partnership project.

Part 4 – Feasibility assessment

17. Preparation of feasibility assessment

- (1) The public entity must undertake or cause to be undertaken a feasibility assessment to determine if the public private partnership project is in the public interest.

- (2) In carrying out a feasibility assessment for a proposed public private partnership project, the public entity must -
- (a) consider all options to optimise capital and operating costs and must establish a strong case for the project's efficiency and cost effectiveness;
 - (b) undertake an independent assessment of market demand, including a comprehensive justification of major assumptions and key findings and to ensure that the estimated project revenues are realistic and viable for the potential private entity;
 - (c) ensure that the user fees, if applicable, from the public private partnership project are affordable to the end users and is socially and economically acceptable to the government;
 - (d) ensure that the setting and revision of user fees, if applicable, is predictable and transparent and that the user fee setting and revision methodology is -
 - (i) established by the relevant sector regulator;
 - (ii) is periodically fixed through a duly recognised process;
 - (iii) is based on a formula agreed to in the public private partnership agreement; or
 - (iv) is based on such other methods and processes that ensures transparency and accountability in the user fee setting process;
 - (e) ensure that the direct financial commitments of the public entity or government has been quantified and reasonably estimated for the entire duration of the public private partnership project and are within estimated budgetary limits of the public entity or government;
 - (f) must assess the contingent liabilities on account of the public private partnership project, if any, and must ensure that such liabilities are acceptable to the public entity; and
 - (g) ensure that the public private partnership project does not pass on unreasonably high risk on the public entity in terms of direct financial commitments, indirect or contingent liabilities.

18. Review of feasibility assessment and Transaction Approval 1

- (1) The public entity must submit the feasibility assessment undertaken in terms of section 17, to the Committee for its approval, along with other related assessments as instructed by the Committee from time to time.
- (2) On receipt of the feasibility assessment report in terms of subsection (1), the Committee must -
 - (a) submit details of all direct or contingent government funding requirements to the Treasury; and
 - (b) obtain clearance from the Treasury, on the acceptability of government funding commitments, before approving the feasibility assessment.
- (3) On receipt of a response from the Treasury in terms of subsection (2), the Committee -
 - (a) in consultation with the Minister, may approve the feasibility assessment and must in writing inform the public entity; or
 - (b) may not approve the feasibility assessment, in which case it must provide written reasons for such decision to the public entity.
- (4) The approval referred to in subsection (3)(a), is referred to as Transaction Approval 1.

- (5) If, after approval is granted in terms of subsection (3)(a), but before obtaining Transaction Approval 4, any assumptions in terms the feasibility assessment are materially revised, the public entity must immediately -
- (a) provide the Committee with details of the intended revision, including a statement regarding the impact of the intended revision on the affordability, value for money and risk transfer evaluation contained in the feasibility assessment; and
 - (b) ensure that the Committee is provided with a suitably revised feasibility assessment, after which the Committee may grant a revised Transaction Approval 1.

Part 5 – Public private partnership project procurement

19. Procurement committee

The public entity -

- (a) must establish a procurement committee; or
- (b) may make use of a procurement committee which it has established in terms of the Procurement Act,

to evaluate bids and to recommend results of the procurement process to the accounting officer.

20. Procurement through competitive bidding process

- (1) All public private partnership projects must be procured through a competitive bidding process, in the form of a two-stage process comprising a pre-qualification and a final selection stage, comprising of -
- [The word “of” at the end of the introductory phrase is superfluous.]**
- (a) the request for qualification stage; and
 - (b) the request for proposal stage.
- (2) The procurement committee may with the concurrence of the Committee adopt a single stage process for the procurement of public private partnership projects with a low project value, comprising a single request for proposal stage, which also includes the particulars of the request for qualification stage.

21. Request for qualification stage

The request for qualification stage is undertaken to -

- (a) make public the information on the public private partnership project and the infrastructure asset or services that the public entity intends to obtain;
- (b) communicate the proposed timeframes and the qualification criteria for public private partnership project procurement to applicants;
- (c) ascertain the level of interest in the public private partnership project and provide an avenue through which bidders can comment on the proposed public private partnership project; and
- (d) allow the public entity to qualify applicants for the request for proposal stage that are most capable of meeting project objectives over the public private partnership project’s intended duration.

22. Issuing of request for qualification and Transaction Approval 2A

- (1) Before issuing the request for qualification to prospective applicants, the project officer must submit the request for qualification to the Committee for its approval.

- (2) The Committee may approve the request for qualification with or without changes it consider necessary.
- (3) The approval obtained in terms of subsection (2), is referred to as Transaction Approval 2A.

23. Evaluation of applications

The procurement committee must evaluate the applications using the criteria determined at the time of the issuing of the request for qualification.

24. Giving notice of pre-qualification

- (1) After the evaluation of applications in terms of section 23, the project officer must promptly and in writing notify each applicant in writing whether the applicant has qualified or not.
- (2) The project officer must on the request of an applicant, make available the names of all applicants that have qualified.
- (3) Only applicants who qualified are entitled to participate further in the tender proceedings.
- (4) The qualification process does not create any entitlement or obligations by the public entity in favour of applicants that are successful during the pre-qualification stage.

25. Request for proposal stage

- (1) The request for proposal stage is undertaken to -
 - (a) formally solicit bids for the public private partnership project including financial offers from pre-qualified applicants;
 - (b) prepare and disseminate criteria and the method to be used for evaluation of bids; and
 - (c) prepare and disseminate the draft public private partnership agreement, including clear articulation of roles and responsibilities, penalties in the case of non-performance and provisions for sharing of risks between the public entity and private entity.
- (2) The evaluation criteria under the request for proposal must include a preference for the protection and advancement of previously disadvantaged persons, small and medium enterprises, nationally owned organisations or other such persons or organisations in compliance with the applicable legislation.

26. Issuing of request for proposal and Transaction Approval 2B

- (1) Before issuing the request for proposals to any prospective bidder the project officer must submit -
 - (a) the request for proposal along with the draft public private partnership agreement to the Committee for approval; and
 - (b) the approval for the draft public private partnership agreement received from the Attorney-General.
- (2) The Committee may approve the request for proposal with or without changes it consider necessary.
- (3) The approval referred to in subsection (2) is regarded as Transaction Approval 2B.

27. Evaluation of bids

- (1) The procurement committee, assisted by a transaction advisor, where necessary, must evaluate the bids using the criteria determined at the time of issue of the request for proposal.

- (2) The procurement committee must keep minutes of the proceedings of the bid evaluation.

28. Selection of preferred bidder and Transaction Approval 3

- (1) All bids that meet the threshold criteria in terms of the request for proposal must be ranked in accordance with the evaluation criteria specified in the request for proposal and the first ranked bidder must be referred to as the preferred bidder.
- (2) After the evaluation of the bids, but prior to appointing the preferred bidder, the project officer must submit an evaluation report to the Committee for approval.
- (3) The evaluation report referred to in subsection (2), must demonstrate how -
 - (a) the criteria of affordability and value for money were applied in the evaluation of the bids; and
 - (b) the criteria referred to in paragraph (a), were satisfied in the preferred bid, including any other information as required by the Committee.
- (4) The Committee, in consultation with the Minister, may approve the report referred to in subsection (3) with or without changes it consider necessary.
- (5) The approval referred to in subsection (4), is regarded as Transaction Approval 3.

29. Giving notice to bidders

- (1) On receipt of Transaction Approval 3, the project officer must in writing inform all the bidders -
 - (a) of the preferred bidder and its intention to enter into a public private partnership agreement with that bidder, and
 - (b) that unsuccessful bidders may within 10 days of having been informed, submit queries to the public entity regarding the bid evaluation process.
- (2) After the expiry of the 10 day period referred to in subsection (1)(b), the chairperson of the procurement committee must in duplicate issue a letter of award to the preferred bidder, who must within 10 days of receipt of the letter sign and submit the duplicate copy of the letter of award to the chairperson of the procurement committee.
- (3) A letter of award issued in term of subsection (2) does not confer a right or obligation by the public entity in favour of the preferred bidder.

Part 6 – Public private partnership agreement

30. Exclusive competency of accounting officer

The public entity can enter into a public private partnership agreement only through the accounting officer of the public entity and with any additional signatories from the public entity as required by applicable laws.

31. Concluding the public private partnership agreement and Transaction Approval 4

- (1) After the procurement procedure has been concluded but before the accounting officer of the public entity concludes a public private partnership agreement, the public entity must obtain approval from the Committee, with respect to the following -
 - (a) that the public private partnership agreement meets the requirements of affordability, value for money and optimal risk transfer;

- (b) that the public entity's management plan, explains the capacity of the public entity and its proposed mechanisms and procedures, to effectively implement, manage, enforce, monitor and report on the public private partnership project;
 - (c) that a satisfactory due diligence including a legal due diligence has been completed in respect to the public entity and the proposed preferred bidder in relation to matters of their respective competence and capacity to enter into the public private partnership agreement; and
