as amended by

Government Notice 243 of 2001 (GG 2663) came into force on date of publication: 15 December 2001

Government Notice 181 of 2005 (GG 3555) came into force on date of publication: 15 December 2005

and possibly as intended to be amended by

Government Notice 120 of 2014 (GG 5530)

came into force on date of publication: 13 August 2014

GN 120/2014 (GG 5530) says that it is amending the Regulations relating to the Acquisition of Land by Foreign Nationals contained in GN 257/1996, but this statement seems to be an error.

The Regulations relating to the Acquisition of Land by Foreign Nationals contained in GN 257/1996 contain only one form, which has no number. GN 120/2014 inserts a Form 1A and a Form 4 after Form 3. The General Regulations in GN 272/196 contain a Form 1 and a Form 2, but no Form 3. Thus, the numbers of the forms in GN 120/2014 do not fit correctly with either of these sets of regulations. However, the forms in GN 120/2014 appear to concern sale and wavier in general (in terms of section 17 of Act 6 of 1995) rather than being relevant only to foreigner nationals (in terms of section 58 of Act 6 of 1995). Since it appears that these forms may have been intended to be additions to these regulations, they are included here for reference.

There are other errors in GN 120/2014. It states "In these regulations "the Regulations" means the regulations in relation to Acquisition of Agricultural Land by foreign nationals, published under Government Notice No. 257 of 19 September 1996 as amended by Government Notice Nos. 272 of 17 October 1996, 243 of 15 December 2001, 259 of 29 December 2001, 128 of 1 June 2004, 181 of 15 December 2005, 120 of 3 July 2007, 143 of 1 August 2007, and 241 of 6 September 2013." This statement is incorrect. Regulations relating to the Acquisition of Agricultural Land by Foreign Nationals were published in GN 257/1996, but all of the other Government Notices referred to concern other sets of regulations issued under the Act – with the exception of GN 143/2007, which is not a regulation but a notice issued under regulation 3 of the Land Valuation

**and Taxation Regulations concerning the dates for a general valuation of agricultural land. (Two of the previous amendments listed are amendments to these regulations.)**

### Forms

[Form 1 is substituted by [GN 243/2001](#) and by [GN 181/2005](#).

Form 1A and Form 4 may have been intended to be inserted “after Form 3” by [GN 120/2014](#) – which states that it is amending another set of regulations, but seems by virtue of its subject matter to have been intended as an amendment to these regulations. There is no “Form 3” in either these regulations or in the regulations identified by [GN 120/2014](#) as the ones being amended. It is possible that the forms in question were intended to be inserted after Form 2 of these regulations.]

[Editorial note: The forms have not been reproduced.]
