(3) The payment of a disability grant to a person who, after the 30th day of September 1969, has been absent from the Republic for a continuous period exceeding six months shall be suspended as from the first day of the seventh month following upon the month in which he last left the Republic: Provided that if the Secretary is, for reasons advanced by such person, of the opinion that it is just that payment of that disability grant be continued or resumed, the Secretary may permit payment thereof to be continued or resumed for such period or periods and subject to such conditions as he may determine.
