7. **Detailed reasons why amendment is sought:**  
We are currently experiencing a shortage of aircraft and do not have sufficient aircraft in our fleet to cater for the increasing demand for our services and neither to lease nor to purchase them. We, therefore, need to remove the V5-registration aircraft "clause" to a "No specified registration number" clause to enable us to obtain the aircraft needed from abroad for our operations in Namibia.

Both the AMO's - AVIATION CENTRE AND COMAV are registered AMO'S in Namibia and RSA. Our request, if granted by the Transportation Commission of Namibia will enable us to operate all the aircraft currently in our possession.
