REZONING ERF 3024 NO. 99 JOHANN ALBRECHT STREET, WINDHOEK, EXTENSION 2 FROM ‘RESIDENTIAL’ WITH A DENSITY OF 1 DWELLING PER 900m² TO ‘HOSPITALITY’ CONSENT TO USE ERF 3024 NO. 99 JOHANN ALBRECHT STREET, WINDHOEK, EXTENSION 2 IN ACCORDANCE WITH THE PROPOSED ZONING

Take notice that **DU TOIT TOWN PLANNING CONSULTANTS**, on behalf of the owner of the erf, Rheinhold Ndemuweda Ndaoya, in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), intends to apply to the Windhoek City Council and the Urban and Regional Planning Board for:

- **Rezoning of Erf 3024, No. 99 Johann Albrecht Street, Windhoek, Extension 2, from ‘residential’ with a density of 1 dwelling per 900m² to ‘hospitality’.**
- **Consent to use Erf 3024, No. 99 Johann Albrecht Street, Windhoek, Extension 2 in accordance with the new zoning while the rezoning is formally being completed.**

Erf 3024, No. 99 Johann Albrecht Street, Windhoek, Extension 2 is situated in Johann Albrecht Street No. 99, Windhoek North. It is close to the Central Hospital and to Rhino Park Private Hospital. It is situated mid- block within the newly extended Windhoek Office and High-Density Policy Area. The erf measures at 1125m² and zoned ‘Residential’ with a density of 1:900m

There is currently a Resident Occupation approval for the erf for a Bed and Breakfast establishment of 6 leasable units and all parking is provided onsite.

It is the intention of the owner of the erf to continue operating the guesthouse formally on the specific designated zoning of 'hospitality' instead of the tedious annual renewal of a resident occupation under the current zoning. To be able to do this, application will be made for the formal zoning of 'hospitality'. Under this zoning it would be possible to increase the number of rooms to not more than 12 subject to requirements.

The intended application is in line with the Windhoek Structure plan and sufficient parking is provided for on-site as per the City of Windhoek requirements.

Further take notice that the locality plan of the erf lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Further take notice that any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections/comments is **15 October 2021**).

1:900m² TO 'PRIVATE OPEN SPACE' AND CONSENT FOR A COFFEE SHOP AND
NURSERY

Take notice that **DU TOIT TOWN PLANNING CONSULTANTS**, on behalf of the owner of the erf, F A Properties CC (Sole Director Louis Edwin Wessels), in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), intends to apply to the Windhoek City Council and the Urban and Regional Planning Board for:

- **Rezoning of the Remainder of Erf 106, Klein Windhoek from 'residential' with a density of 1 dwelling per 900m² to 'private open space'.**
- **Consent to use the erf for a coffee shop and nursery.**

The Remainder of Erf 106 is located on the corner of Barella and Friederich Giese Streets in Klein Windhoek, along and to the southwest of the Klein Windhoek River. The erf is not bordered by any other erven. The erf is 3216m² in extent and zoned 'residential with a density of 1 dwelling per 900m²'.

It is currently being used for a private nursery for personal use (Namibia Landscapes Gardeners), a use which has been in operation for many years. They do not trade from the premises – they only use the stock for their own gardening projects. Since the erf is located within the flood area of the

Klein Windhoek River as well as a future planned road over the erf, only temporary and container-like structures will be constructed on the erf, such as the play equipment and the coffee shop kiosk.

It is the intention of the owner to use the erf for recreational purposes where people can take their children to play in a safe environment and enjoy leisure, i.e., have a picnic, within the peaceful atmosphere. It is planned to create a garden-like park where visitors feel immersed in nature.

The intended application is in line with the Windhoek Structure plan and sufficient parking is provided for on-site as per the City of Windhoek requirements.

Further take notice that the locality plan of the erf lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Further take notice that any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (**final date for objections/comments is 15 October 2021**).

PERMANENT CLOSURE OF UNDEVELOPED STREET (±63,559m²) – A PORTION OF PORTION 193 WALVIS BAY TOWN AND TOWNLANDS – TO BE CONSOLIDATED WITH ADJACENT LAND AND DEVELOPED AS PART OF A GOLF COURSE ESTATE

Notice is hereby given in terms of Section 50(3)(a)(ii) and Section 50(3)(a)(iv) of the Local Authorities Act, 1992 (Act No. 23 of 1992), that the Municipality of Walvis Bay intends to permanently close Portion X, a ±63,559m² portion of the Remainder of Portion 193 Walvis Bay Town and Townlands, as a "Street".

Portion X is not yet developed as a street. Portion X forms part of a planned street layout to provide access to and from the subdivision of land into “block erven” for future urban development in the dune-fields to the east of Meersig and Fairways Estate.

The proposed permanent street closure is to enable the closed street to be consolidated with the adjacent block erven to be assembled as the site for the proposed President’s Links Golf Course Estate. The closed street, and the adjacent block erven, are to be sold by the Municipality of Walvis Bay to President’s Links Estate (Pty.) Ltd. to develop the consolidated site as a Golf Course Estate. The site assembly of the President’s Links Golf Course Estate results in Portion X becoming redundant as a street.

Take notice that a plan showing the locality and nature of the permanent street closure lies open for inspection during normal office hours on the Roads & Building Control Notice Board, Walvis Bay Municipal Head Offices, Civic Centre, Nangolo Mbumba Drive, Walvis Bay, or at the Town Planning Section, Room 101, Civic Centre or at Housing and Properties, Room 29, Kuisebmond Satellite Municipal Offices, Nathaniel Maxuilili Avenue, Kuisebmond.

Further take note that any interested person who wishes to object to the permanent closure as indicated above may lodge such objection together with the grounds thereof in accordance with Section 50(3) (a)(iv) of the Local Authorities Act, 1992 (Act No. 23 of 1992), with the Chief Executive Officer, Municipality of Walvis Bay, Private Bag 5017, Walvis Bay, and with the applicant, in writing, on or before **Friday, 22 October 2021**.
