- (2) Any documents required to accompany an application, must be attached to the original application and copies thereof to the original duplicate or duplicates of the application.

#### 8. Application by body corporate, organisation or association

- (1) An application form or other document required to be signed by an applicant, licensee or other person must be signed, if the applicant, licensee or person is a body corporate, an organization, partnership or other association of persons, by a person who is authorised to make the application or sign the document on behalf of the body corporate, organisation, partnership or other association by virtue of a resolution of the executive authority or the members or partners of the body corporate, organization or association concerned.

- (2) An extract of the resolution referred to in subregulation (1) must be attached to the application form or other document concerned.

#### 9. Affidavit of financial interest

- [(1)]** An application for-
  - (a) a licence in terms of section [27](#) of the Act;
  - (b) a hotel liquor licence in terms of section [3](#) of the Act;
  - (c) a parks liquor licence in terms of section [15](#) of the Act; or
  - (d) the transfer of a licence in terms of section [33](#) of the Act; or
  - (e) the acquisition of a controlling interest in terms of section [34](#) of the Act, must be accompanied by an affidavit of financial interest made in accordance with subregulation (2).

  - (c) the name, address and identity number of each director of the company, statutory institution or co-operative.

**[The subregulations in regulation 9 appear to be misnumbered. There is no number for what appears to be the first subregulation. If this subregulation becomes number (1), then the other subregulation numbers would need to be adjusted accordingly to (2) and (3). The cross-references in the regulation seem to be partly based on the erroneous numbering and partly on the intended numbering. The numbers inserted in green probably reflect what was intended.]**

## 10. Advertising of application

- (1) Any advertisement of an application required to be published in terms of these regulations must be published in the prescribed form, subject to subregulation [\(2\)](#), in a daily newspaper which is printed and circulated in the region in which the premises to which the application relates are situated.
